

**Growth Management Subcommittee
Weare Planning Board**

The Growth Management Subcommittee of the Weare Planning Board met on Monday, August 25, 2008, in the town offices. Present were Frank Bolton, Neal Kurk and Matt Thomas. The meeting began at 9:06 a.m.

The subcommittee approved the minutes of the August 18th meeting. Matt present reconfigured bar charts on town and student populations and an updated table on school budget changes over time. Expanded town facilities are needed (1) to house additional police personnel to meet the current population's needs; (2) to provide additional playing fields to meet our growing recreational athletic demands; and (3) to provide additional space for current town office employees and for additional employees required to serve our existing population.

The subcommittee agreed to hold one more meeting to finalize the draft report. The meeting was scheduled for Wednesday, September 3, 2008, at 9 a.m. in the town offices. This would provide time to have the report duplicated and distributed to Planning Board members prior to the September 11th work session.

The meeting adjourned at 11:06 a.m.

Respectfully submitted,

Neal M. Kurk
